

NON ALCOHOLIC MARGARITA WITH AUSBARREL PEAR

We love a good mocktail using AUSBARREL, and here's one you'll think is divine! It uses AUSBARREL Pear which gives it a delightful twist.

Ingredients:

15ml AUSBARREL Pear
30 ml non-alcoholic Tequila
30ml non-alcoholic Triple Sec
Limeaide
Ice blocks

Method:

Combine all ingredients in a glass, transfer to your favourite shaker and add ice.

Shake vigorously (dancing at the same time with music is highly encouraged).

Salt the rim of the glass, pour the liquid from your shaker into a glass, holding the ice so that it stays in the shaker and ENJOY!
