

CHEESE IDEAS WITH AUSBARREL

Cheese and AUSBARREL - is there a better pairing? We think after dinner, when you're looking for that bit of delicious cheese, bit of sweetness (and a little bit of tartness), these provide a perfect finish to your meal.

Here are some of the ways we eat cheese with AUSBARREL:

- Grilled manouri with AUSBARREL Premium Fig, and some mint or rocket;
- Parmesan chunks with AUSBARREL Premium Truffle or AUSBARREL Original;
- Sourdough with sliced brie, strawberries and AUSBARREL Pear, AUSBARREL Premium Quince or AUSBARREL Premium Raspberry;
- Sourdough with brie, pomegranate seeds and AUSBARREL Premium Pomegranate or AUSBARREL Apple and some herbs such as parsley if you like;
- Stack of sliced fig and mozzarella, with basil and AUSBARREL Premium Fig or Pear.

Try your own combination of cheese for dessert - it's a taste sensation you'll want to repeat over and over again.
