

# FRESH SALAD WITH FETA AND AUSBARREL

How about a tasty simple salad that can be whipped up in an instant (or two)?

This recipe is simple and oh-so tasty!

All you need to do is to slice some fresh tomatoes, black olives, red onions, dice some feta, and chop some parmesan and spring onion if you like.

Drizzle with your favourite AUSBARREL variety (we love AUSBARREL Apple, Orange, Original or Premium Truffle with this) and you're all ready to eat this delicious, fresh salad!

Add some calamari or raw tuna for a different twist on this easy salad!

YUM!
