

# SEAFOOD & ARUGULA SALAD WITH AUSBARREL

The best salads are simple, tasty and easy to make. This one takes the cake, we think! Fresh ingredients and only a couple of minutes to throw together - it's the perfect salad!

## Ingredients:

Fresh rocket/arugula

Chopped cherry tomatoes

Chopped red onion

Toasted sesame seeds

Cooked Shrimp/prawns

Salt & pepper

AUSBARREL (we love AUSBARREL Lemon, Pear, Premium Raspberry or Premium Pomegranate with this)

## Method:

Put ingredients together in a bowl, drizzle over some of your favourite AUSBARREL and voila - you're ready to eat!
