

SUSHI WITH AUSBARREL

Simple. Healthy. Delicious.

It's what we all want for a meal, right?

This dish is so quick, tasty and easy, taking around ten minutes.

Simply slice your sushi-quality fish (we use tuna, salmon, swordfish or whatever is sushi quality and fresh from your local fishmonger).

Blanch some green beans and roasted pine nuts, and top it all off with AUSBARREL Lemon drizzled over the entire plate.

We also love this with AUSBARREL Premium Pomegranate or Premium Raspberry.

Enjoy!
