

WATERMELON SALAD WITH AUSBARREL

Watermelon is available year round, as are blueberries, and what better way of enjoying these delicious fruits than as a dessert salad!

Ingredients:

Watermelon (cut as you choose - we thought stars were cute for this)

Blueberries

Cheese (we love parmesan, brie or camembert with this)

Mint leaves

Method:

Place watermelon, blueberries, cheese and mint on a platter, drizzle over some of your favourite AUSBARREL and serve!

Delicious!

We love AUSBARREL

Pear, Premium Fig,
